AYURVEDA WORKSHOPS

Saturday, March 9th, 16th, 23rd & 30th from 4:00 to 5:30 PM

Thousands of years before modern medicine provided scientific evidence for the mind-body connection, the sages of India developed Ayurveda, which continues to be one of the worlds most sophisticated and powerful mind-body health systems.

More than a mere system of treating illness, Ayurveda is a science of life (Ayur = life, Veda = science or knowledge). It offers a body of wisdom designed to help people stay vibrant and healthy while realizing their full human potential.
