Everyone has wondered “what if?” But how many get a chance to live it?

Seventeen years ago, Olivia Watson’s world was turned upside down when she discovered Justin, her high-school sweetheart turned fiancé cheating with her best friend, Petal. Unable to muster up any forgiveness, she turns her back on him and every friend connected to that part of her life, leaving many questions about the details of the betrayal unanswered.....

*Between the empty spaces
is a place called forever*
